Think Spring—Think Daffodils

After a long winter, our daffodils have confirmed that spring has arrived in Atkinson.

The AGC receives a Plant America Grant from *The National Gardener*

The National Garden Club awarded a Plant America Grant to the AGC for its Daffodil Project, which included the planting of 18,900 daffodils. The project received support from many local businesses and private organizations. Shown below are Linda Jette and Jane Goodwin with the *National Gardener*.
