Silver Seal Award

I would like to recommend Kay Galloway for the Silver Seal Award 2020 for her many contributions to the Atkinson Garden Club.

Kay is a past President 2012-2014, she puts together and distributes our quarterly Newsletter, was a top seller for our Daffodil Project and participates in all of our ongoing activities when she isn't traversing the globe. Being an octogenarian hasn't kept her from taking extra weeks on the summer watering schedule and enthusiastically encouraging others to get more involved in our many activities. Kay has also taken the time to visit with our infirm members in addition to her other civic activities which include Historical Society, Library, YMCA and more.

Respectfully Submitted,
Brenda Weber
